Product Overview

Description | Specifications

Details:

- Total inflated size is approximately 17 x 13 x 13 feet.
- Powerful 1.5 HP UL-Listed blower included.
- Complies with the Lead Free Toys Act.
- 100% Commercial grade PVC material.
- Colorful, fun bounce house. Integrated covered roof keeps the sun off the kids.

Cloud 9's commercial-grade Crayon Bounce House is constructed from heavy-duty, 100% PVC vinyl, from its upright pillars and beams to its slide walls. All high-stress areas, including the bouncing surface, mattress sides, bottom, and slide are made from industrial-strength, 18-ounce (0.55mm) PVC. This (fire retardant, lead-free) puncture-proof PVC material is approximately 5 times stronger than nylon used in
